

**South Dakota Excellence 2013**

South Dakota Hereford Association Club Calf & Bred Heifer Sale SDSU Animal Science Arena, Brookings, SD  
**Saturday, November 9th, 2013**

1. Consignors must be SDHA members or a member of the S.D. Junior Hereford Association. Memberships must be paid and accounts current prior to participation in any SDHA event. You must either have participated at Dakota Fest or pay a \$100 fee to consign to this sale. **Out-of-state SDHA members**, who have met all the requirements, are eligible to enter cattle in SDHA sales. Cattle raised out of South Dakota and sold in the Excellence Sale are eligible for the futurity shows but not for the steer or heifer specials.
2. It is the responsibility of the consignor to prove beyond reasonable doubt that steers are sired by a registered Hereford or Polled Hereford bull. The steers must be representative of the Hereford breed in color and markings. If any dispute should arise, final decision is left up to the sale committee.
3. There will be a \$125 entry fee per heifer calf or bred heifer, and a \$60 per steer entry fee. All fees are non-refundable unless an entry is screened out by the selection committee. In such case, the entry fee minus \$10 selection committee expense will be returned. All animals in the barn will be offered for sale and charged a sale commission.
4. Health papers must be furnished. Calves should be weaned, tattooed, and a vaccination program implemented. (Check with your local vet.) Heifers must be Bangs vaccinated. Bred heifers must be pregnancy tested.
5. **Steers must be tattooed.** Tattoos of all animals will be checked prior to the sale. Any animal not tattooed prior to the sale will be assessed a \$20 penalty. Steer certifications will be required. The breeder's portion of the steer certification application must be filled out, signed, and returned to the sale committee not later than sale day. As with heifer registration papers, payment for steers will not be made until we receive this application. All steers and heifers will be pictured prior to the sale. These pictures will be kept on file.
6. **SEPTEMBER 10 is the deadline to let us know how many head you are going to consign.** You must notify Philip Eggers by this deadline so that we can make arrangements to have your consignments evaluated. **SEPTEMBER 20 is the deadline to submit catalog copy and pictures.** Please respect this deadline. When entry information is late, it delays the printing and mailing of our catalog which affects all involved. An additional fee of \$50 per animal will be assessed all late entries.
7. Complete the enclosed entry form and return with entry fees. Make checks payable to **S.D.H.A.** for the number of head you wish to enter. Registration papers must accompany all heifers, and certification application must accompany all steers not later than sale day. Consignor will be responsible for cost of transfer of ownership fees. Please complete the enclosed pedigree form, photocopy registration paper, or email the AHA link. Include footnotes (maximum of 40 words), whether the animal is polled or horned, and heifer EPDs.
8. There will be a futurity show for both steers and heifers at the 2014 S.D. State Fair. Each consignor must contribute \$20 per head entered in the futurity. The buyer must match this in order to be in the futurity show.
9. All cattle must be in the barn by noon Friday, November 8th, 2013.
