Notes: This is an outstanding female out of a foundation line cow and the 9196G Advance bull. A female that has outdone her EPDs with on the ground performance! We have appreciated this female from the beginning for characteristics classic of this cow family; carrying a very correct frame with a big, bold hip and body type. The 9196G daughters are known for good, clean udders. Bred to a flashy son of HB Distinct for a great combination! Expected to calve 05/15/2026
